Welcome to EUS Skyline: from diagnostic to therapeutic

14

Hours Live Course

22

Academic Medical Centers
throughout the world

3,000+

Virtual seats

Welcome to the second edition of the **EUS-Skyline Global Event!**

Dr. Alberto Larghi and Prof. Schalk van der Merwe are thrilled to invite you to join them for an unforgettable day of full immersion in the world of diagnostic and therapeutic/interventional endoscopic ultrasound.

Get ready to experience the **latest advancements in EUS technology and techniques**, with focus on indications, technical tips and tricks, newly developed accessories, and endoscopic assistants' contribution. You'll have the opportunity to learn from world-renowned experts and witness live procedures transmitted from centers representing all five continents, **all from the comfort of your own home or office.**

Our **interactive and fully-immersive digital platform** allows you to engage with other participants, share your opinions and questions, and be part of the conversation. Plus, you'll have **exclusive access to the most up-to-date information on the newest EUS devices** that have never been seen before.

Don't miss out on this unique opportunity to expand your knowledge and **connect with the global EUS community.** Register now to reserve your seat and be part of the **EUS-Skyline Global Event!**

Alberto Larghi *Schalk van der Merwe*
